

School of Medicine

Center for Molecular Medicine and Genetics

Division of Clinical Genetics

Interested in becoming a genetic counselor?

Attend our Genetic Counseling Graduate Program Open House

Two dates available:

Friday, June 21, 2019 OR Friday, August 2, 2019

- ⇒ Learn more about the genetic counseling profession
- ⇒ Discover the Wayne State Genetic Counseling Graduate Program
- ⇒ Meet practicing genetic counselors, students and program faculty
- ⇒ Develop strategies for a strong graduate school application
