WSU Genetic Counseling Graduate Program  
2021 Virtual Open Houses

Objectives:
¬ Learn about the profession through case presentations and genetic counselor professional experiences
¬ Identify strategies for developing a strong application
¬ Interact with practicing genetic counselors, students and program faculty

Tentative Agenda (Eastern Time Zone)

11:00-12:30pm Program overview, building a competitive application. Meet the program directors and learn tips about applying to programs.

12:30-1:00pm Break

1:00-2:30pm Genetic counseling case presentations. Walk through real cases with genetic counselors practicing in a variety of specialties.

2:45-3:45pm Ask a genetic counselor/genetic counseling student. Get your personal questions answered in a breakout room setting.

Register in advance for either June 25 OR August 13
